VETERANS' DAY PARADE

The three towns of Wareham, Marion and Mattapoisett marched in record temperatures on Friday as the weatherman smiled on the Veterans' Day observance. Mattapoisett was the host town for the veteran sponsored celebration. The summer-like day attracted a large number of spectators from all of the surrounding towns.

Leading the parade were marshals, Major George S. White, Army Reserves; and Major Charles A. Morgan, retired Army officer.

Trophies were presented to the winners at the Center School grounds where the parade disbanded. Refreshments were served to all participants in the Center School cafeteria by members of the Legion Auxiliary of Mattapoisett.

Trophies went to the following: Old Rochester Regional High School Band, best in parade; locomotive from Plymouth County 40 'n 8, Voiture 49, most original; Marion Cub Scouts,

FURIOUS ACTION AT CRANBERRY BOWL

Wareham charged to a 13 to 0 victory over Old Rochester in the annual Cranberry Bowl game on Saturday in Mattapoissett. At the left, Wareham ball carrier rockets for gain against O.R. Photo at right shows Domingo Pina of O.R. at start of spectacular dash for goal which was cancelled because he stepped out of bounds on the way. The inspired Wareham team put up a stonewall defense and held the O.R. backfield throughout the afternoon. Mattos scored first for Wareham and the conversion failed, making the score 6 to 0. Early in the third period Wareham tried an onside kick and recovered a fumble. Wareham then moved 46 yards in 10 plays. Lake and Mattos carried for the drive and Lake sneaked from the one-yard line to score. Bourne kicked the extra point. Old Rochester threatened several times in the second half but could not sustain any drive. The Cranberry Bowl was awarded at the Wareham Town Hall on Saturday night at the

annual Cranberry Ball to Coach Bill Maxwell of the Wareham Vikings.

JUNIOR GRANGE MEETING

The Mattapoissett Junior Grange held its bi-monthly meeting last Friday night with the worthy master Mark Harris presiding.

Honored guests were Past State Deputy Joseph Bradford of Middleboro and Paul Ouellette, master of Sippican Pomona. Mr. and Mrs. Paul Ouellette, Mrs. Phyllis Alcobia and daughter Mary became members of the Junior Grange.

Gail Bauer, chairman of the Junior Home and Community Service Committee, collected and brought in a large carton of dolls in answer to the appeal made by the Morgan Memorial Goodwill Industries. There are dolls of every size from tiny to very tall ones. She also has promises for more dolls. This is her first project starting the new Grange year.

Following the meeting tray favors were start-

ABATEMENTS COSTLY TO TOWN

In the year 1965, as a result of action by the State Legislature in passing a law providing abatements to property owners over 70, a total of 61 homes were abated in Mattapoisett. The resulting \$6,356.35 tax revenue loss to the town of Mattapoisett had to be made up through increased rates on the taxable property in the town because the State Legislature provided no money to the towns to make up for the resulting loss of tax revenue. This law provided abatements on homes valued under \$14,000.00. Up to \$4,000 abatement was allowed.

In the year 1966, Clause 41 has been added to this Abatement to the Elderly Law which increases the amount. Now homes with a valuation up to \$20,000.00 are to be abated. The abatement is \$4,000 of valuation or \$350. in

Special additive in today's Shell Heating Oil helps give more warmth per gallon, top heating performance

There's a new additive in today's Shell Heating Oil. Called FOA-5X, this Shell product works round the clock to protect your fuel system-from storage tank to burner head. FOA-5X helps reduce build up of heat-robbing deposits that can collect in critical areas of your burner. It lets Shell Heating Oil burn in a radiant, even flame. It helps reduce service calls and expense. The result: more warmth per gallon of fuel-top performance at minimum cost. Before you buy your next gallon of heating oil, call us. We will give you complete details about Shell Heating Oil with FOA-5X and about our service.
